

SPRING FEVER

*Delicate grey and
romantic pastel hues*

As soon as the outdoor temperatures rise, nature awakens to new life. Everything is growing, thriving, and blossoming in its full splendour. We even want these lovely embellishments on our tableware. Clean whites, neutral greys, and playful pastel hues bring a special magic to your Easter table!

1 | Happiness is egg-shaped

Those who love Scandinavian style decorate their Easter eggs with cool colours. Egg candles in briese, aqua, linen, pebble, and gold make a splash against light-hued woods and stone.

Starting from about €3.90

2 | Bring on the carrots

This practical multi-peeler enables quick, easy, and precise peeling for both right-handed and left-handed users. The blade is made of especially sharp cutlery steel; brushed stainless steel lends this multi-peeler an elegant look.

€14.99
